

Khulna University Studies

Volume 14(1&2): January-December 2017

The Khulna University Studies is a peer reviewed referred journal published twice a year (June and December). It provides an opportunity for publication regarding research and practice in all areas of current knowledge primarily for the faculties of Khulna University. Papers should reflect theoretical, factual or technical information fulfilling national and international interests. Critical analyses and scholarly evaluation of current issues are also encouraged. Original research papers, review articles and short communications in the broad field of Life Science, Physical Science, Environmental Science, Engineering and Technology, Social Science, Economics, Management and Business Studies and Arts and Humanities are invited. The referees and editorial board evaluate submitted manuscripts based on quality of research and ideas. Decision of the Editorial Board is final regarding publication of any manuscript. The Editorial Board or the Khulna University authority is not responsible for any factual mistakes, thoughts and ideas reflected in the published papers. Potential authors are requested to follow the Guide to Contributors available in the latest issue of the journal during preparation of their manuscripts.
