Life Science

Dipak Kamal, Md. Forhad Uddin and Mst. Muslima Khatun

Production, marketing and transportation of mud crab (*Scylla olivacea*): a study on Khulna region of Bangladesh

1-10

Md. Rashedul Islam, Md. Moksedur Rahman, Md. Zillur Rahman and Md. Jahidul Hasan

Development of nursery technology of freshwater prawn (*Macrobrachium rosenbergii*)

11-20

Md. Najmus Sadat Ratna, Md. Monirul Islam, Md. Sarwar Jahan and Md. Masudul Haque

Seed germination and seedling growth of different jute cultivars under different levels of sodium chloride salinity

21-25

Samiul Ahsan, Md. Tareq Bin Salam and Shaikh Motasim Billah

Impact of shrimp processing industries on the chemical properties of soils of Rupsha Upazila, Khulna, Bangladesh

27-32

Nripendra Nath Biswas, Bishwajit Bokshi, Md. Sohel Rana, Md. Sayed Mohosin and Shaikh Emdadur Rahman

Phytochemical and pharmacological evaluation of *Cucurbita maxima* Duchesne and *Euphorbia royleana* Boiss

33-42

Mahmudul Hasan Chowdhury, Khandoker Qudrata Kibria, Sadia Safin Tisha and Md. Sanaul Islam

Isolation and characterization of bacteria of Sara and Mirpur soil series of Bangladesh

43-48

Md. Farukur Rahman, Mahtalat Ahmed and Md. Sarwar Jahan

Effect of weeding regime on the performance of direct-seeded Aus rice

49-57

Shikder Saiful Islam, Md. Saifuddin Shah, Rubia Akter, Priyanka Biswas, Wasim Sabbir and Joyanta Bir

Some aspects of biology of Snake Head *Channa striatus*

59-66

Joyanta Bir, Md. Rashedul Islam, Md. Saifuddin Shah, Shikder Saiful Islam and Wasim Sabbir

Fecundity, gonado-somatic index (GSI), conditioning factors, food and feeding habit and length- weight relationship of Gold Spot Mullet, *Liza parsia*

67-75

Shikder Saiful Islam, Md. Saifuddin Shah, Md. Lifat Rahi, Priyanka Biswas, Md. Rashedul Islam and Joyanta Bir

Taxonomy and some aspects of biology of *Punitus sarana* and *Punitus gonionotus*

77-86

Nipa Adhikary, Sonia Nasrin, Samsunnahar and Md. Hanif Effects of organic farming on soil properties and growth of Red Amaranth	87-93
Sabiha Sultana, Rupali Khatun, Sanjoy Kumar Adhikary and Md. Rejaul Islam <i>In vitro</i> evaluation of suppressing effect of some medicinal plant leaf extracts on radial mycelia growth of <i>Fusarium oxysporum</i> f.sp. <i>lycopersici</i>	95-102
Prosanta Kumar Dash, Shimul Das, Biswajit Das, Md. Abdul Mannan Performance of high yielding rice varieties of Bangladesh	103-110
Prosanta Kumar Dash, Shimul Das, Md. Abdul Mannan, Basudev Saha, Md. Golam Rabbani Evaluation of advanced tomato mutants based on growth, yield attributes and yield	111-120
<i>Environmental Science</i>	
Md. Tareq Bin Salam and Shaikh Motasim Billah Assessment of irrigation water quality as deteriorated by effluent discharged from major shrimp processing industries of Rupsha upazila, Khulna, Bangladesh	121-127
Md. Hanif, Kazi Rezoa, Nipa Adhikary and Sonia Nasrin Influence of soil texture and land use practices on aggregate stability and soil organic carbon stocks	129-138
Monowara Khatun and Md. Sadiqul Amin Characterization of <i>Satla</i> and <i>Harta</i> soil series of southwest Bangladesh	139-148
Md. Hasanuzzaman, Mahmood Hossain, Sharif Hasan Limon, Mohammad Raqibul Hasan Siddique Effect of shrimp pond sludge on seedling growth of Mahogany (<i>Swietenia macrophylla</i>)	149-155
<i>Science and Technology</i>	
Farzana Nahid and Md. Rashedur Rahman Thermal excitation energy of trapped electrons at low temperature studied through positron annihilation lifetime spectroscopy	157-165
<i>Social Science</i>	
Tunvir Ahamed Shohel and Md. Abdul Jabbar Androcentric gender role orientation of mothers and its impact on family life in an urban area of Bangladesh	167-178
Sohel Rana, Md. Abdul Jabbar, Tunvir Ahamed Shohel and Md. Tanvir Hossain Patient's satisfaction: a case study on patients of Khulna Medical College Hospital of Bangladesh	179-191

Lasker Ershad Ali, Masudul Islam, Ishita Shahid Sams and Afroza Polin	
Measuring child mortality impact by Cox Proportional Hazard Model with two time scales	193-202
Mustafa Kamal and Gazi Abdullah-hel Baqui	
A study on student motivation at university level	203-212
Tuhin Roy, Mst. Taslima Khatun, Md. Tanvir Hossain and Sohel Rana	
Reproductive health care seeking behavior of female street dwellers: a study conducted in Dhaka city of Bangladesh	213-223
Tuhin Roy, Md. Hasan Howlader and Quazi Mosrur-Ul-Alam	
Women representatives in union <i>parishad</i> of Bangladesh	225-233
Short Communication	
Md. Sirajul Islam, Shimul Roy, Sayma Khanom and Mahmudul Islam	
Deforestation and biodiversity degradation in Madhupur Sal Forest at Tangail region	235-239
Monowara Khatun, Md. Sadiqul Amin and S.M. Hafizur Rahman	
Influence of <i>Azolla</i> with different levels of urea in rice production in southwest Bangladesh	241-245
Mohammad Zaber Hossain, Md. Sanaul Islam, Md. Bappy Shahriar, Khandoker Qudrata Kibria, Md. Anisur Rahman, Md. Abdul Jabbar	
Effect of salinity-heavy metal interactions as evaluated by soil extraction and plant analysis	247-249
Shaikh Motasim Billah, Angsu Devnath and Nadira Afrose	
Suitability of various gher water for shrimp cultivation in Fakirhat Upazila, southwest Bangladesh	251-254
Tunvir Ahamed Shohel and Md. Abdul Jabbar	
Situation analysis of child labor in Khulna city of Bangladesh	255-257
