

Khulna University Studies

Volume 7 Number 1 (June, 2006)

Contents

Engineering & Technology

- Islam, M.R.; Rana, S.M.M.; Hossain, M.M. and Nusrat, W.** 1-12
In-place merging and external sorting algorithm with no additional disk space.

Environmental Science

- Azad, A.K. and Iqbal, A.** 13-18
Impact of brick kilning on the environment: A study on Khulna region of Bangladesh
- Haque, M.R.; Ahmad, M.J.U.; Chowdhury, M.D.A. and Rahman, M.M.** 19-26
Seasonal variation of heavy metal concentrations in *Glossogobius giuris* from the Sundarbans mangrove swamps of Bangladesh.
- Rahman M.M.; Haque, M.R.; Sarkar, M. and Hoque, M.A.** 27-32
Air pollution in Dhaka city and the policy responses: A review.
- Uddin, M.N.; Bahar, M.M.; Islam, M.A. and Harun, A.Y.A.** 33-36
An evaluation of water supply scenario in Khulna city corporation area.

Life Science

- Alam, M.A.; Murtaza, M.G. and Mamun, S.M.M.** 37-44
Problems and prospects of kitchen gardening in ward 24 of Khulna city: A case study.
- Banu, G.R.; Mori, K. and T. Nakai, T.** 45-48
A comparative study on brain-tropism of betanodaviruses in young marine fish -a way to perform host specificity.
- Boonerjee, S.; Sen, P.K.; Alam, M.F.; and Rahman, M.S.M.** 49-53
In vitro clonal propagation of onion (*Allium cepa* L.) through shoot tip culture.
- Boonerjee, S.; Sen, P.K.; Alam, M.F. and Rahman, M.S.M.** 55-58
Micropropagation of onion (*Allium cepa* L.) through bulblet formation.
- Huq, K.A.; Islam, M.A.I. and Jewel, M.A.S.** 59-62
Present status and future fish production potential of Sadar *Upazila* of Jhenaidaha district, Bangladesh.
- Islam, S.S.; Azam, M.G. and Islam, S.** 63-68
Crop livestock interaction patterns in four selected *Upazilas* of Khulna district, Bangladesh.
- Jahan, S.; Shamaruh, M.; Chowdhury, E.K.; Alim, S.R. and Sobhani, M.E.** 69-72
Isolation and identification of an arsenic assimilating bacteria.
- Khan, S.A.K.U.; Ali, M.S. and Hasan, S.S.** 73-76
Identification and use of indigenous technical knowledge by the farmers in crop cultivation.
- Khanom, M., Morshed, M.R. and Tareque, A.M.H.B.** 77-82
Status and impact of Jatka catching on Hilsa fishery in the Meghna river at Hizla-Mehendiganj region of Bangladesh.

Murshid, G.M.M.; Paul, D.R.; Hossain, M.G.; Rahman, A.A.; Saifuzzaman, M. and Sarder, M.M. 83-86

Quality assessment of Indomethacin capsules marketed by Bangladeshi pharmaceutical industries.

Rahman, A.A.; Rahman, S.M.R.; Jahan, G. and Sarder, M.M. 87-90
Phytochemical and pharmacological investigations of *tinospora cordifolia*.

Rouf, M.A. and Islam, M.M.M. 91-98
Water quality and management of shrimp culture in Southwest coastal areas of Bangladesh.

Sobhani, M.E.; Islam, A.T.M.K.; Chowdhury, E.K.; Haque, N.; Wahiduzzaman, A.K.M.; Ahmed, A.; Morshed, A.H.G.; Masood, S.M.A. and Maruf-Uzzaman, M. 99-106

Stress induced neuro-endocrine-immune system alteration and its relation with autoimmune inflammatory diseases: A review.

Physical Science

Biswas, M.H.A.; Alam, M.M.K.; Masud, M.S. and Siddika, M.F. 107-118
A review of symmetries, conserved quantities and invariance properties.

Islam, M.R. 119-122
Superiority of Wavelet theory compared to Fourier transform.

Rahman, S.M.A.; Ahmmed, S.F. and Islam, M.R. 123-128
An analysis of modes in a caricature of a model for morphogenesis.

Samsuzzoha, M.; Azom, M.G.; Mondal, B.K. and Anis, M.S. 129-136
An easier asymptotic method for solving second order over-damped nonlinear systems.

Social Science

Siddiqua, T. 137-144
Ecotourism: new approach to economic development in Bangladesh.
