

Contents

Arts & Humanities

- Shahin, A.R.** 169-174
Cruelty in the (pseudo) aesthete: Browning's 'My last duchess'

Engineering & Technology

- Abdullah Al- Masum, S.M. and Rahman, M.M.** 175-188
Planning of public bus services using GIS in Rajshahi city, Bangladesh
- Rahman, S.M.A.** 189-192
A SIR epidemiological model with stability analysis
- Rahman, M.M.; Khan, M.H.R.; Yesmin, L. and Khan, S.** 193-198
Analyzing the optimum loss and dispersion of different types of optical fibers

Life Science

- Kabir, M.E.** 199-206
Volume table of *Acacia auriculiformis* A. Cunn. ex Benth. and *Acacia mangium* Willd. planted in woodlot of social forestry project in Dhaka forest division of Bangladesh
- Kabir, M.E.; Bosunia, A.K.M.A.; Islam, M.A. and Mowla, R.** 207-212
Social forestry for women livelihood in the rural society of Jessore, Bangladesh
- Kamal, D.; Khan, Y.S.A.; Akhtar, A. and Siddiqui, M.N.** 213-220
Seasonal variation in proximate composition of green mussel (*Perna viridis*, Linn. 1758) from Moheshkhali channel, the Bay of Bengal, Bangladesh
- Rouf, M.A.; Karim, S.M.M.; Hasanuzzaman, A.F.M; Kibria, K.Q.; and Chisty, M.A.H.** 221-230
Variability of water and soil characteristics within a production cycle in an alternative shrimp-paddy cultivation plot in Khulna, coastal Bangladesh
- Siddiqui, M.N.; Hasanuzzaman, A.F.M. and Chisty, M.A.H.** 231-238
Substitution of fishmeal protein by soybean meal in diet for giant fresh water prawn *Macrobrachium rosenbergii* (de Man)
- Islam, M.A.; Rahman, S.M.; Rabbani, A.G.; Shah, M.M.R. and Rahman, S.M.A.** 239-244
Fish marketing in some local markets of Chuadanga district of Bangladesh
- Shaibur, M.R.; Amin, M.S. and Kawai, S.** 245-252
Effect of potassium chloride on growth and accumulation of metal micronutrients in rice seedlings grown hydroponically
- Abu Hena, M.K.; Akhtar, A.; Kamal, D. and Rezowan, M.** 253-260
Morphometry, habitat and standing crop of *Porteresia coarctata* at Bakkhali estuary, Cox's Bazar, Bangladesh

Islam, M.S.; Kamal, M.A.H.M.; Mustafa, M.G.; Rashed-Un-Nabi, M. and Kamal, D. 261-268
Usability of feed mill sweepings as a substitute to commercially formulated feed in gift tilapia culture

Kamal, D.; Khanom, M. and Rheman, S. 269-285
Traditional practice of mud crab (*Scylla olivacea*) fattening in the south west region of Bangladesh

Rahman, M.M.; Habib, M.A. and Shah, M.S. 286-292
Induced breeding of *Cirrhinus reba* (Ham.) and *Labeo bata* (Ham.)

Hossain, M.M.; Gain, P.; Mannan, M.A. and Islam, M.M. 294-299
Effect of seedling age and seedling number per hill on yield and yield attributes of transplanted *Aman* rice (BR23)

Islam, M.M.; Azad, M.A.K.; Ashaduzzaman, M. and Hannan, M.O. 300-305
Some physical and mechanical properties of Kathbadam (*Terminalia catappa* Linn.) wood of Bangladesh

Islam, M.S.; Rana, M.M.P.; Ahmed, R. and Rahman, M.M. 306-315
Structural characteristics and spatial organisation of raw food markets in Rajshahi city, Bangladesh

Physical Science

Sifuzzaman, M.; Shamim, S.A.; Islam, M.R. and Sarker, R. 316-325
Different wavelets, their properties and advantages

Ahmed, S.F.; Islam, A. and Islam, M.R. 326-331
Unsteady flow past an oscillatory plate in a rotating system

Ahmed, S.F. and Sultana, T. 332-336
The reactions in the viscoelastic boundary layer flow of fluid

Guide to Contributors 337-340
