

## **Khulna University Studies**

Volume 6 Number 1 & 2 (2005)

The *Khulna University Studies* is a fully refereed journal published twice a year (June and December). It provides an opportunity for publications regarding research and practice in all areas of current knowledge primarily for the faculties of Khulna University (KU). Authors working outside KU should communicate their manuscripts through relevant faculty or staff member of KU. Papers should reflect theoretical, factual or technical information fulfilling national and international interests. Critical analyses and scholarly evaluation of current issues are also encouraged. Original research papers, review articles and short communications in the broad field of Arts and Humanities, Engineering and Technology, Economics, Environmental Science, Life Science, Management and Business Studies, Physical Science and Social Science are invited. The referees and editorial board evaluate submitted manuscripts based on quality of research results and ideas. Decision of the Editorial Board is final regarding publication of any manuscript. The Editorial Board or the KU authority is not responsible for any factual mistakes, thoughts and ideas reflected in the published papers. Potential authors are requested to follow the 'Guide to Contributors', available in the latest issue of the journal during preparing their manuscripts for publication in the *Khulna University Studies*.
