Volume 4 Number 2, December 2002

(Published in June 2004)

Engineering and Technology

Mridha, A. M. M. H. and M. A. Khan

Legacy of colonial architecture in Khulna city.

713-724

Kabir, M. A. and F. Farzana

Development of an integrated gis based methodology for the selection of solid wastes disposal sites for Khulna city.

725-731

Khan, M.H.R.

KEK B factory- an experimental study for cp violation.

732-736

Alam, M. M., M. A. Sattar and M. D. Hossain

Hall effects on an MHD free convection and mass transfer flow in a rotating porous medium with time dependent wall temperature.

737-741

Bhuiyan, M. N. A. S., M. H. R. Khan, A. R. Sarkar, M. S. Rahman, L. Yesmin and S. Khan

A study on splicing losses in optical fiber communication system for BRWZ.

742-745

Economics

Ahmed, S. N. and F. Hamid

A comparative analysis of the budgets of Bangladesh during the decade of nineties.

746-753

Life Science

Rafiqul, I. M., A. Hassan, G. Sulebele, C. A. Orosco, P. Roustaian and K. Azam
The influence of light intensity on growth and biochemical constituents of *Spirulina*.

754-756

Misbahuzzaman, K. and J. Wilson

Study of the effects of ectomycorrhizal inoculation with five isolates of *Pisolithus* on growth of *Eucalyptus camaldulensis* Dehnh. seedlings at four nutrient regimes.

757-761

Hossain, K. M., M. A. Hossain, A. Ashraf and M.M. Alam

Abortic effect of papaya (*Carica Papaya*) in female mice.

762-764

Hossain, M. G. and M. Saifuzzaman

Release pattern and potency status of some diclofenac sodium enteric coated tablets of the pharma-market of Bangladesh.

765-768

Shah, M. M. R., M. J. Alam, S. Rheman, M. S. A. Khan and M. A. Rouf

Effect of salinity on the culture of standard microalgae species used in aquaculture.

769-774

Sen, P. K., S. M. M. Rahman, M. F. Hasan, M. A. S. Miah, M. H. Rahman and A. S. M. Noman

Biochemical composition and enzymatic analysis of sugarcane varieties Isd-16 and Isd-28.

775-778

Hossain, Q. Z. and A. S. Sarder

Induced breeding of *Labeo gonius* (HAM.) in Bangladesh.

779-782

Khan, S. A. K. U, M. M. R., Khan, K. G. Quddus and M. R. Islam

Seedling performance of chilli in saline soils.

783-786

Management and Business

Rashid, M. and M. M. Rahman

International adjustments through micro and macroeconomic coordination: The example of European Union.

787-798

Social Science

Islam, M. L., S. Rheman, M. J. Alam, M. M. R. Shah and S. M. Rahman

Socio-economic status of fishermen in the sunderbans mangrove forest, Bangladesh.

799-804

Islam, M. S.

Population policy of Bangladesh: an overview of some important issues and priorities.

805-808

Ahmed, M.U.

Law of urban development in Bangladesh: a critical study with special reference to Khulna master plan.

809-822

Short Note

Molla, S. R. and S. M. I. Huq

Comparison of extractants for assessing Fe, Mn, Cu and Zn availability in soils.

823-825
