Hasan, M. M., Ahmad, A. H.

Policy Guidelines and Suggestions for Improving Low-Income Housing of Dhaka City

25-32

Kadir, M.I.

A Step-By-Step Improvement of the Gate Control of an SCR Power Control Circuit

33-37

Karim, M.R.

Low Coverage of Irrigation by Pumps in Bangladesh: Problems and Prospects for Improvement

39-44

Mowla, Q.A.

Geo-physical Forces and Architecture

45-55

Environmental Sciences

Mowla, Q.A.

Investigative Strategy for Passive Vernacular Design in the Temperate Climate

57-62

Muktadir, M.A.

An Alternative Approach to Teaching Environmental Studies in School of Architecture

63-67

Life Sciences

Miah, M.A.H., Rahman, M.S., Azam, K., Ahmed, Z.F.

A Comparative Study of Plankton Production in Nursery Ponds Supplied With Fertilizers and Feed and Fertilizers

69-74

Kamal, D., Khan, Y.S.A.

Taxonomic Study on the Intertidal Green Mussel and Their Ecology from the Moheshkhali Channel, Cox's Bazar, Bangladesh

75-79

Kamal, D., Alam, M.J., Mehedi, M.Y.

Length-Weight Relationship and Condition Factor in *Setipinna phasa* (Hamilton-Buchanan) from the Bay of Bengal, Bangladesh

81-88

Matin, M.A.

Rooting of Cuttings of Some Fast Growing Forest Tree Species of Bangladesh under Open Bed Condition

89-91

Matin, M.A., Rashid, M.H.U.

Rooting of Branch Cutting of *Lagerstroemia speciosa* Retz., *Eucalyptus camaldulensis*, Dehn. and *Erythrina indica*, Lam.

93-96

Rakkibu, M.G.

Effect of Tree Density on Soil Water Use Efficiency in Agroforestry System

97-101

Management & Business Studies

Islam, M.N.

A Few Aspects of Motivation: An Overview of Concept and Techniques.

103-108
