Dipak Kamal Fisheries and Marine Resource Technology Discipline, KU.

Khulna University Studies

The *Khulna University Studies* is a fully refereed journal published twice a year (June and December). It provides a forum for research and practice in all areas of knowledge primarily for the faculties of Khulna University (KU). Authors outside KU should communicate their manuscripts through relevant faculty or staff member of KU. Papers should make a theoretical, factual or technical contribution of interdisciplinary national and international interests. Critical analyses and scholarly evaluation of current issues are also encouraged. Original research papers, review articles and short communications in the broad field of Arts and Humanities, Engineering and Technology, Environmental Sciences, Life Sciences, Management and Business Studies, Physical Sciences and Social Sciences are invited. The referees and Editorial Board will evaluate the submitted manuscripts based on quality of data, ideas and presentation. Decision of the Editorial Board will be final regarding publication of any manuscript. The Editorial Board or the University authority will not be responsible for any factual mistakes, thoughts and ideas reflected in the published papers. Potential authors are requested to follow the 'Guide to Contributors' available in the latest issue of the journal, during preparing their manuscript for publication in the *Khulna University Studies*.
