

# Khulna University Studies

Volume 19 Number 1 : 2022

Khulna University Studies (KU Studies) is an official publication of Khulna University, Bangladesh. It is an international, peer-reviewed, multidisciplinary and open access journal that publishes high-quality research articles twice a year (June and December). It provides an opportunity to researchers from across the world for publication of their research and practices in all areas of knowledge. Manuscripts should reflect theoretical, factual or technical information fulfilling national and international interests. Critical analyses and scholarly evaluation of current issues are also encouraged. Original research papers, review articles and short communications in the broad field of Arts and Humanities, Education, Fine arts, Law, Life Science, Management and Business Studies, Science, Engineering and Technology and Social Sciences are invited. The reviewers and editorial board evaluate the submitted manuscripts based on the quality of research and ideas. The decision of the editorial board is final regarding the publication of any manuscript. The Editorial Board is not responsible for any factual mistakes, thoughts and ideas reflected in the published papers. Potential authors are requested to follow the Guide to Contributors available on the journal website during the preparation of their manuscripts.
